Effectively
symbolize
outstanding
corporate
and
individual
achievement.

Awards
that
increase
in
value
over
time.

Custom Commissions

Each design requires a painstaking, time-consuming and arduous process. Blanks, diamond-saw cut from large ingots, are faceted like precious jewels by cutting and grinding. Finishing each facet is done with precision milling, grinding and countless polishings; the more facets the longer the process. A final buffing reveals the painterly quality of all Correia Crystal.
